Exciting News

Congratulations Mrs Paxton on your appointment as the Canteen Manager for Picnic Point Public School. We know they are very lucky to have you, your experience and your delicious food!!! Mrs Paxton will be working at Picnic Point PS Wednesdays, Thursdays and Fridays. Have NO FEAR Mrs Paxton is continuing in her role as our volunteer Canteen Manager; however, canteen days will now change to **Mondays and Tuesdays. As of Week 9 - Monday 12 September the canteen will be operational.**

Mrs Paxton will begin her new role in Week 8 which means the canteen will be **non operational** on **Thursday 8 September and Friday 9 September.**

Thank you for your understanding and please join me in congratulating and celebrating this new appointment and chapter in Mrs Paxton's career.

Father's Day Breakfast

Next Friday morning at 8.15am we will be celebrating our wonderful fathers and father figures. Your child would have brought home an invitation to this special event. Please check their bags if you have not received this invitation as there is an RSVP inside which needs to be returned by Monday 29 August. This will enable us to prepare for catering. This invitation is open to granddads and uncles as well. Looking forward to seeing you there for breakfast as we celebrate our fathers and father figures. P&C will send out more information regarding the Father's Day Stall.

Music Lessons

Our music program is well under way. With students enjoying this program. Mr Morrison is introducing students to various instruments and broadening their knowledge, skills and playing experience. How lucky are we to have Mr Morrison providing this specialised program which is individualised to suit your child's needs. Each stage receives 40 minutes of music tuition every week. We are so lucky at WPS to offer small group learning and hands on practical experience across a variety of wind, percussion and keyboard instruments.
